Farmingville, NY – Councilman Michael Loguercio (right) recently Attended Fire Prevention Day at Ridge Elementary School. The event included fire prevention demonstrations and activities that educated children about fire safety.

"I was so proud to participate in this year's Fire Prevention Day at Ridge Elementary School in Ridge. Every October we celebrate "Fire Prevention Month" in order to remind and educate both children and adults on the importance of Fire Safety. Taking simple steps such as replacing the batteries in your smoke detectors and replacing the entire unit every 10 years are easy ways to ensure the safety of you and your family."
